The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

- 1 **Special Condition # 19:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mario Garcia violated the terms of his supervised release in Spokane, Washington, on or about September 30, 2014, by submitting a urine sample that tested presumptive positive for methamphetamine. The offender signed an admission of use form acknowledging he consumed methamphetamine on the noted date.

- 2 **Special Condition # 18:** You shall undergo a substance abuse evaluation and, if indicated, enter into and successfully complete an approved substance abuse treatment program, including aftercare. You shall contribute to the cost of treatment according to your ability. You shall allow full reciprocal disclosure between the supervising probation officer and treatment provider.

Supporting Evidence: Mario Garcia violated the terms of his supervised release in Spokane, Washington, on October 13, 14, and 16, 2014, by failing to attend substance abuse treatment as recommended. Collateral contact with Adept confirms the offender failed to appear on October 13, 14, and 16, 2014, for treatment services.
